IOWA STATE UNIVERSITY

Bioeconomy Institute

Dear Craig Berning,

On behalf of the Iowa State University Bioeconomy Institute and 15 other sponsoring organizations, you are cordially invited to participate in the **12th Annual Biofuels: Science and Sustainability Tour** from August 16-19, 2021, taking place in Iowa. This privately-sponsored tour has been organized to provide congressional staff and agency representatives an opportunity to learn how Iowa's biofuels industry and research community are leading the nation in responding to the many challenges and opportunities in renewable energy and agriculture.

This event will include "hands on" tours of biofuel refineries as well as cutting edge research projects aimed at advancing current and next generation renewable fuels. In addition, briefings will be conducted by state and national experts, technology providers, family farmers and university research staff.

The tour is designed to provide participants with a better understanding of the environmental and economic impacts of renewable fuels, to highlight technological advancements that are improving the efficiency and carbon footprint of biofuels production and agricultural processes, and to showcase the capabilities of Iowa's premier research entities. The tentative tour schedule [linked here](#) includes time for open exchanges of ideas regarding energy and biofuels policy.

As part of the tour, you are invited to participate in a roundtable discussion on the Energy Policy Outlook for the 117th Congress. Other congressional staff members will be invited to participate in this panel as well.

Space is limited. If you are interested in participating in the tour, **please complete the following:**

- [Click here](#) to fill out the tour registration form and return it to Monte Shaw, Executive Director of the Iowa Renewable Fuels Association, at mshaw@IowaRFA.org *Please reply as soon as possible.*
- Once registered, you will receive all of the paperwork necessary for submission to the Senate Ethics Committee (which is due no later than July 16, 2021).

Any questions may be directed to Monte Shaw at (515) 252-6249, mshaw@IowaRFA.org. Thanks, and we hope to see you on the tour!

Sincerely,

Robert C. Brown

PRIVATE SPONSOR TRAVEL CERTIFICATION FORM

This form must be completed by any private entity offering to provide travel or reimbursement for travel to Senate Members, officers, or employees (Senate Rule 35, clause 2). Each sponsor of a fact-finding trip must sign the completed form. The trip sponsor(s) must provide a copy of the completed form to each invited Senate traveler, who will then forward it to the Ethics Committee with any other required materials. The trip sponsor(s) should **NOT** submit the form directly to the Ethics Committee. Please consult the accompanying instructions for more detailed definitions and other key information.

The Senate Member, officer, or employee **MUST** also provide a copy of this form, along with the appropriate travel authorization and reimbursement form, to the Office of Public Records (OPR), Room 232 of the Hart Building, within thirty (30) days after the travel is completed.

-
1. Sponsor(s) of the trip (please list all sponsors): See Attachment A

 2. Description of the trip: See Attachment B

 3. Dates of travel: August 16-19, 2021
 4. Place of travel: Des Moines, Ames, Nevada, Newton, and Ellsworth (in Iowa)
 5. Name and title of Senate invitees: See Attachment C
 6. I *certify* that the trip fits one of the following categories:
 - ☒ (A) The sponsor(s) are not registered lobbyists or agents of a foreign principal **and** do not retain or employ registered lobbyists or agents of a foreign principal **and** no lobbyist or agents of a foreign principal will accompany the Member, officer, or employee *at any point* throughout the trip.
 - OR -
 - ☐ (B) The sponsor or sponsors are not registered lobbyists or agents of a foreign principal, but retain or employ one or more registered lobbyists or agents of a foreign principal and the trip meets the requirements of Senate Rule 35.2(a)(2)(A)(i) or (ii) (*see question 9*).
 7. ☒ I *certify* that the trip will not be financed in any part by a registered lobbyist or agent of a foreign principal.
 - AND -
 - ☒ I *certify* that the sponsor or sponsors will not accept funds or in-kind contributions earmarked directly or indirectly for the purpose of financing this specific trip from a registered lobbyist or agent of a foreign principal or from a private entity that retains or employs one or more registered lobbyists or agents of a foreign principal.
 8. I *certify* that:
 - ☒ The trip will not in any part be planned, organized, requested, or arranged by a registered lobbyist or agent of a foreign principal except for *de minimis* lobbyist involvement.
 - AND -
 - ☒ The traveler will not be accompanied on the trip by a registered lobbyist or agent of a foreign principal except as provided for by Committee regulations relating to lobbyist accompaniment (*see question 9*).

9. **USE ONLY IF YOU CHECKED QUESTION 6(B)**

I *certify* that if the sponsor or sponsors retain or employ one or more registered lobbyists or agents of a foreign principal, one of the following scenarios applies:

- ☐ (A) The trip is for attendance or participation in a one-day event (exclusive of travel time and **one** overnight stay) and no registered lobbyists or agents of a foreign principal will accompany the Member, officer, or employee *on any segment* of the trip.

– OR –

- ☐ (B) The trip is for attendance or participation in a one-day event (exclusive of travel time and **two** overnight stays) and no registered lobbyists or agents of a foreign principal will accompany the Member, officer, or employee *on any segment* of the trip (*see questions 6 and 10*).

– OR –

- ☐ (C) The trip is being sponsored only by an organization or organizations designated under § 501(c)(3) of the Internal Revenue Code of 1986 and no registered lobbyists or agents of a foreign principal will accompany the Member, officer, or employee *at any point* throughout the trip.

10. **USE ONLY IF YOU CHECKED QUESTION 9(B)**

If the trip includes two overnight stays, please explain why the second night is practically required for Senate invitees to participate in the travel:

11. ☒ An itinerary for the trip is attached to this form. I *certify* that the attached itinerary is a detailed (hour-by-hour), complete, and final itinerary for the trip.

12. Briefly describe the role of each sponsor in organizing and conducting the trip:

All sponsors have contributed to planning the Tour and identifying invitees, and all sponsors are
expected to serve as hosts and/or presenters for different parts of the Tour. All sponsors have
contributed funding to IRFA to help cover Tour expenses.

13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:

See Attachment D

14. Briefly describe each sponsor's prior history of sponsoring congressional trips:

See Attachment E

15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):

See Attachment F

16. Total Expenses for Each Participant:

	Transportation Expenses	Lodging Expenses	Meal Expenses	Other Expenses
<input checked="" type="checkbox"/> Good Faith estimate	\$750 total (\$700 round trip airfare)	\$333	\$104 (breakdown in attachment G)	\$9 - Entry fee for fairgrounds at Iowa State Fair. Fee does not provide access to recreational elements of the Fair.
<input type="checkbox"/> Actual Amounts	(\$50 round trip motor coach)			

17. State whether a) the trip involves an event that is arranged or organized *without regard* to congressional participation or b) the trip involves an event that is arranged or organized *specifically with regard* to congressional participation:

The trip involves events that are arranged or organized specifically with regard to congressional participation.

18. Reason for selecting the location of the event or trip

Iowa is the epicenter of renewable fuels production and research, thereby allowing the Tour to visit a wide range of informative locations in a timely manner.

19. Name and location of hotel or other lodging facility:

Des Moines Savery Hotel

401 Locust St, Des Moines, IA 50309

20. Reason(s) for selecting hotel or other lodging facility:

Hotel is near the center of all Tour events and was able to accomodate our room block at the government room rate for Des Moines.

21. Describe how the daily expenses for lodging, meals, and other expenses provided to trip participants compares to the maximum per diem rates for official Federal Government travel:

The hotel rate is equal to the federal rate for Des Moines, Iowa.

The meal expenses are less than the maximum per diem rates for official Federal Government travel.

22. Describe the type and class of transportation being provided. Indicate whether coach, business-class or first class transportation will be provided. If first-class fare is being provided, please explain why first-class travel is necessary:

All round trip travel (airfare and bus) will be coach class.

23. ☒ I represent that the travel expenses that will be paid for or reimbursed to Senate invitees do not include expenditures for recreational activities, alcohol, or entertainment (other than entertainment provided to all attendees as an integral part of the event, as permissible under Senate Rule 35).

24. List any entertainment that will be provided to, paid for, or reimbursed to Senate invitees and explain why the entertainment is an integral part of the event:

None

25. I hereby *certify* that the information contained herein is true, complete and correct. (For trips involving more than one sponsor, you *must* include a completed signature page for each additional sponsor):

Signature of Travel Sponsor: Monte Shaw

Name and Title: Monte Shaw, Executive Director

ATTACHMENT D**13. Briefly describe the stated mission of each sponsor and how the purpose of the trip relates to that mission:**

Iowa Renewable Fuels Association: brings together Iowa ethanol and biodiesel producers to foster the development and growth of the state's renewable fuels industry through education, promotion and infrastructure development. IRFA is committed to making Iowa a leader in producing renewable fuels and value-added co-products. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

National Biodiesel Foundation: supports and promotes outreach, education, science, and demonstration activities for the advancement of biodiesel and its co-products to improve national security, air quality and the environment. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Renewable Fuels Foundation: seeks to meet the education, research, and strategic planning needs of the U.S. fuel ethanol industry. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Iowa Corn Growers Association: a membership organization supporting agricultural issues on behalf of its members, ICGA's mission is to create opportunities for long term Iowa corn grower profitability. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Iowa Soybean Association: a membership organization recognized for excellence in enhancing long term sustainability of Iowa soybean farmers. ISA's mission is to expand opportunities and deliver results for Iowa soybean farmers. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Iowa Biodiesel Board: represents the biodiesel industry in Iowa, from production through distribution to end users. The IBB promotes the commercial success of biodiesel in Iowa. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Missouri Corn Growers Association: a membership organization supporting agricultural issues on behalf of its members. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

North Dakota Ethanol Council: brings together ethanol producers in North Dakota to help grow production and demand for ethanol. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Renew Kansas: brings together ethanol producers in Kansas to help grow production and demand for ethanol. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Nebraska Corn Board works to support agricultural issues on behalf of its members, including promoting the production and use of renewable fuels. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Farm Credit Services of America: a mission-driven financial cooperative serving farmers, ranchers and rural Americans that finances renewable energy projects and has an overall concern regarding the economic health of rural America. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Renewable Fuels Nebraska: brings together ethanol producers in Nebraska to help grow production and demand for ethanol. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

Kansas Soybean Association: serves as the voice and advocate for soybean-farmer-members, including expanding public awareness of the soybean markets. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Kansas Corn Growers Association: actively works with other commodity and farm organizations to maximize the voice of Kansas corn producers for the promotion and market development of ethanol and other value-added products made from corn. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Ames Chamber of Commerce: strives to make Ames a better place to live, work, and do business by strengthening the economic vitality and the quality of life in the Ames community. Home to Iowa State University, the Ames economy is a worldwide hub for ag innovation and ag production. Agriculture commodity demand is impacted by federal laws and regulation. Because it educates staff on modern production agriculture, the Tour furthers their efforts to create a positive policy environment for farmers and production agriculture.

Lincolnway Energy: a locally controlled business enterprise providing farmers and local investors with the chance to extract added value through ownership of an ethanol processing plant. Renewable fuels demand is impacted by federal laws and regulation. Because it educates staff on renewable fuels, the Tour furthers their efforts to create a positive policy environment for the industry.

ATTACHMENT E**14. Briefly describe each sponsor's prior history of sponsoring congressional trips:**

Iowa Renewable Fuels Association and Renewable Fuels Foundation have hosted each of the past 11 years' Biofuels: Science and Sustainability Tours, covering 2009 to 2019.

National Biodiesel Foundation and Iowa Corn Growers Association have occasionally hosted congressional briefings, including each Biofuels: Science and Sustainability Tour from 2011 to 2019.

Iowa Soybean Association and Iowa Biodiesel Board have occasionally hosted congressional briefings, including each Biofuels: Science and Sustainability Tour from 2013 to 2019.

Missouri Corn Growers Association and Kansas Soybean Association have occasionally hosted congressional briefings, including each Biofuels: Science and Sustainability Tour from 2014 to 2019.

Renew Kansas and North Dakota Ethanol Council have sponsored each Biofuels: Science and Sustainability Tour from 2015 to 2019.

Renewable Fuels Nebraska and Farm Credit Services of America sponsored each Biofuels: Science and Sustainability Tour from 2016 to 2019.

Nebraska Corn Board, Kansas Corn Growers Association and Ames Chamber of Commerce sponsored each Biofuels: Science and Sustainability Tour from 2017 to 2019.

Lincolnway Energy often hosts briefings and tours for state and federal policymakers and their staffs. They also sponsored the Biofuels: Science and Sustainability Tour in 2009 and 2015.

15. Briefly describe the educational activities performed by each sponsor (other than sponsoring congressional trips):

Iowa Renewable Fuels Association, Iowa Biodiesel Board, Renew Kansas, Renewable Fuels Nebraska, and the North Dakota Ethanol Council host educational programs for their members and the public. These activities range from hosting/attending public events, to speaking to school and civic groups, to interfacing with consumers directly at fueling stations. The central focus of these activities is to increase awareness of the benefits of using renewable fuels.

National Biodiesel Foundation develops and supports education and research projects consistent with the needs of the biodiesel industry.

Renewable Fuels Foundation develops K-12 science curriculum on ethanol and sponsors scholarships.

Iowa Corn Growers Association, Kansas Corn Growers Association, Nebraska Corn Board and Missouri Corn Growers Association conduct many activities to educate consumers and the public on corn issues. Activities would include hosting or speaking at public events, making presentations to school or civic organizations, participating in public workshops, and advertising about the many benefits of corn-based products.

Iowa Soybean Association and Kansas Soybean Association organizes many activities to educate consumers and the public on soybean issues. Activities would include hosting or speaking at public events, making presentations to school or civic organizations, participating in public workshops, and advertising about the many benefits of soy-based products.

Lincolnway Energy participates in numerous industry events to educate the public, investors or policy makers about the issues facing renewable fuels. They also occasionally host plant tours for policy makers, schools or the public.

Farm Credit Services of America conducts a community involvement program, which provides funding and resources to a variety of organizations that support agricultural causes. The program is focused on making a positive difference in the communities they serve.

Ames Chamber of Commerce conducts community outreach to businesses and people both in and outside of Ames to highlight the business and living environment provided by a city at the center of the high-tech ag world.
